# Juice Stand

You are starting a drink stand. Decorate it however you'd like!

First, you'll need to buy some supplies in order to start your stand. Circle the one you want to buy. You can choose 1 or 2 in each category as long as your purchase something in each one and all your money is less than or equal to the budget. Your **budget** is \$100. Remember, a **budget** means that you can't spend more than a certain amount.

## Cups

Cup with Holder  
\$5 for 100

Cup with Straw  
\$10 for 100

Cup with Lid  
\$15 for 100

## Fruit

Limes  
\$22 for 50

Lemons  
\$25 for 50

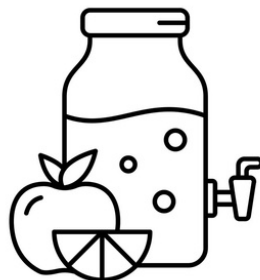

Oranges  
\$30 for 50

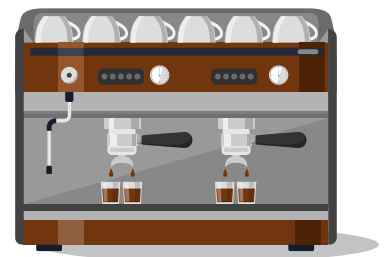

## Dispensers

Pitcher  
1 for \$15

Dispenser with Tap  
1 for \$20

Automatic Dispenser  
1 for \$50

You have sold 100 cups of lemonade for \$4.00 each. Answer the following questions.

1) How much money did you make in **revenue**?

(Hint: **revenue** is the amount of money you made before subtracting expenses)

2) How much was your **expenses**?

3) How much money did you make in **profit**?

4) Did you make any **losses**?

5) How did you choose to advertise your juice?

6) CHALLENGE: How many cups do you need to sell to make a profit of \$10?
